

LYMPSTONE TENNIS CLUB - SUMMER NEWS

Junior tournament June 2015

We have plenty to celebrate at the club recently, so here is a summary of what has been happening:

Junior tournament - runner-up *Louis Reece*, winner (for the 2nd year) *Max Handford*

Triples/Pimms evening - winning team *Adrian Barton, Andrew Lorenc and Steve Pope*

Doubles Tournament - winners *Tracey Spokes and Brian Carroll*

We also had a very enjoyable barbecue following the doubles tournament.

School holiday tennis

Last year, we allowed juniors of 14 years and over to have keys to the courts so they could play over the holidays. This is being continued but juniors and parents please note the following:

- Subject to the courts not being booked, junior members aged 14 and over may use them up to 6pm. Please check the calendar in the committee room window for bookings. After 6pm adult members have priority.
- All players must wear suitable footwear
- The courts are for use by members, and committee members will be checking to make sure this facility is not misused. We reserve the right to ask non-members to leave and repeated misuse will result in withdrawal of the key facility.
- Please make sure you take all your belongings with you and lock the courts after use.

Court Etiquette

Please can all players note that if both courts are in use and other members arrive to play, those who have been on court the longest should finish their set.

And finally DON'T FORGET club sessions take place on Tuesday evenings from 6.30pm and Saturday afternoons* from 2pm. These are open to all adult members (and juniors by invitation).

*There will be no duty member on Saturday 1 August, as it is Furry Dance day; however the courts are still available for use.

Enjoy your tennis!
