

LYMPSTONE TENNIS CLUB WINTER NEWS 2013

Members wishing to play tennis over the winter may have free use of the floodlights. A key safe has been fitted on the net post, which contains a key and a quantity of tokens. The key gives access to the lobby area, which is to the right of the Committee Room, where the controls for the lights can be found. One token will light one court for one hour. Please note that we are not permitted to have the lights on after 10pm so no tokens should be inserted after 9pm. The code for the key safe will be changed regularly for security so, if you want to play, please phone one of the following committee members for the code:

Jill 01395 224774 Liz 01395 227536 Karen 01395 275017

A calendar showing when matches are taking place can be found in the Committee Room window. If you are bringing non-members to play, please complete a visitors' slip (which can be found on the window sill in the lobby) and pay the appropriate (very reasonable) court fee. A reminder too that the net should be left clear of the ground after play (instructions on how to do this are on the back of the gate) and the court and lobby doors must be locked. Enjoy your winter tennis!
