

LYMPSTONE TENNIS CLUB – AUTUMN NEWSLETTER 2012

Senior/Junior Tournament

We managed to pick a bright sunny Sunday for our Senior/Junior Tournament this year. On 1st July, 11 juniors and 9 seniors made up 10 pairs for a morning of competitive tennis. It was good to see a number of parents joining in with the fun and the handicapping allowed everyone to pick up some points. The two round-robin groups produced some close matches, but eventually the finalists were Mike and Louis Reece and Suzanne and Fran Isaacs, with Mike and Louis coming out as the eventual winners. However, it was the taking part that really mattered that morning and without a doubt everyone played in that spirit. Thank you to all who took part and we look forward to the next one of these events, with hopefully some more of that good weather.

Club Championship and BBQ

Always one of the highlights of the season this will be held on **Sunday 16 September** with lunchtime BBQ but will be moved to 23 September if the weather is bad. Singles start at 10am, doubles will be run after the singles, but will not start before 12 noon. Doubles pairings will be allocated on the day. Open to all adult members.

Summer League Results

The summer season has produced some challenging matches for all our teams – not least because of the unpredictable weather. The Ladies and Mixed teams have both finished a creditable 3rd in their respective divisions after being promoted last year. Both Men's teams have struggled to meet their commitments because of injuries and lack of availability of players. We may need to reduce to one Men's team next year, so if you are a keen match player who has not yet been involved, please talk to one of the committee before this is considered.

Afternoon Tournament

Our final tournament of the year is arranged for **Saturday 13 October** tournament and will followed by a shared tea. Just turn up on the day with your plate of food! Open to all adult members.

Vets Tournament

This takes place in Charmouth on **Sunday 30th September** and is the vets 101 mixed tournament, where the combined ages need to be 101 or over. For more information please click here:
